**Guest speakers/performers:** Affected by a life altering incident, speakers/performers will **discuss**, **interact** and **challenge** students to take charge of their life's choices and actions.

You may remember some special guests from previous years: **Tré Armstrong**, Celebrity Judge on CTV's popular TV show - 'So You Think You Can Dance Canada' and **Danny Fernandes**, MMVA winner and Juno Award nominee.

But still one of last year's highlights was our returning emcee, **Rick Campanelli**, Global's co-host of ET Canada. Each year we take pride in celebrating and honouring our Louise Russo Youth Award winners. 2012 will be no exception. Come out and celebrate with us!

**This year's Guest Speaker line-up promises to be equally exciting!**
